Available for remote work during US business hours

PROFESSIONAL SUMMARY

Results-driven Web Designer and SEO Specialist with 17+ years of experience delivering digital solutions across web design, graphic design, email marketing, and search engine optimization. Proven track record managing end-to-end website builds using WordPress, Duda, Squarespace, and Wix. Adept at driving organic traffic through on-page SEO, Google Analytics, and keyword strategy. Previously a remote Web Designer for a US-based agency (2023–2025), with a portfolio spanning travel, health, fitness, finance, and e-commerce industries. Continuously engaged in freelance web design and SEO work since June 2019, managing multiple client projects independently.

WORK EXPERIENCE

Web Designer & SEO Specialist | **Triple Crown Athletic LLC (Freelance, Remote)**
June 2019 – Present | Philippines (Remote)

- Currently supporting about 5 US-based clients across fitness, education, BPO, and wellness industries.
- Lead Web and Graphic Designer for a 7-year ongoing engagement with Triple Crown Athletic LLC, a fitness facility in Walton, KY, also serving as SEO Specialist, Graphic Designer, Video Editor, and Social Media Manager, and handling data entry.
- Manage the client's additional websites, including Stunt Actor Network, My Strength Matters, Triple Crown CrossFit, and The Call Center Guy.
- Optimized page headers and troubleshot Core Web Vitals issues, raising the site's GTmetrix grade from E to C (2026), with a 969ms Largest Contentful Paint, 0.04 Cumulative Layout Shift, and 84% structure score.
- Prepare monthly web and competitor analysis reports covering site audits, keyword rankings, GTmetrix speed tests, and engagement.
- Track 19 local SEO keywords; as of Oct 2026, 12 rank in the top 5 and 10 in the top 3 on desktop, including #1 for "kickboxing gym walton ky" and "brazilian jiu-jitsu walton ky."
- Track and report Google Analytics: about 2.5K page views and 1K new visitors in a recent 28-day period (Sept 21 – Oct 18, 2026).
- Produced branded graphics, social media content, and video assets using Adobe Photoshop, Canva, and DaVinci Resolve.

Web Designer | **AAMP Agency (Independent Contractor, Remote)**
April 2023 – November 2025 | Las Vegas, US (Work From Home)

- Developed and maintained 200+ responsive client websites using WordPress and Duda CMS, applying best practices in UI/UX, performance optimization, and cross-browser compatibility.
- Optimized website images and media assets to reduce page load times, enhancing site speed and overall user experience.
- Executed on-page and off-page SEO strategies, including keyword research, backlink building, and Google Analytics monitoring, to boost search rankings and organic visibility.
- Performed routine web maintenance and troubleshooting across all client sites, maintaining consistent uptime and resolving technical issues proactively.

Web Designer & SEO Specialist | **Virtual Assistant (Part-Time, Remote)**
2022 – January 2026 | Philippines (Remote)

- 4 years as a Web Design and SEO Specialist for clients across education, medical, wellness, solar, Bitcoin, and utility services.
- Designed and launched websites for clients including Dare2Lift, Respira Global, Amyspotlessmaids, One Life Mind and Body, Learneum, Fund 4 Solar, Beyond Technology Education, and CreateFirm, using WordPress, Squarespace, and Wix.
- Conducted SEO audits and implemented on-page optimizations across all projects, improving organic search visibility and keyword rankings.

Web & Graphic Designer | **Asia Premier One Source**

February 2018 – March 2019 | Philippines (1 Year 1 Month)

- Delivered 2 major website projects for clients using WordPress with custom themes.
- Maintained on-page SEO elements including titles, meta descriptions, and keyword targeting.
- Executed monthly email marketing campaigns via Mailchimp for Shopify and ShareASale products.
- Produced social media banners and promotional videos for Facebook and YouTube advertising.
- Transitioned to Marketing team: built PowerPoint presentations, recruitment collateral, and competitive analysis.

Web Designer | **H.I.S. Philippines Travel**

September 2015 – March 2017 | Philippines (1 Year 7 Months)

- Built the company's English marketing website from scratch, integrated with a mobile application.
- Configured VPN to interconnect two company branches; managed network and hardware troubleshooting.
- Developed a BIR Invoice System for printing government-compliant invoices using Visual Basic 6.0.
- Handled phone tagging, software support, and general IT operations.

Web Designer (Corporate) | **Asiatravel Philippines Inc.**

January 2008 – September 2015 | Philippines (7 Years 9 Months)

- Produced 3,000+ hotel landing pages across major Asian destinations (Nepal, Sri Lanka, Indonesia, Japan, South Korea, and more) using the company's proprietary CMS.
- Led monthly email marketing campaigns promoting hotels and travel packages across countries and cities.
- Created promotional microsites, landing pages, image enhancements, and ad banners.
- Served as Officer-In-Charge, supervising the Web Team and coordinating deliverables.
